Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Wednesday 28 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Scattered showers continuing, at times heavy and thundery.

Today:
A largely cloudy start with some scattered showers, locally heavy through the morning. Showers often heavy continuing into the afternoon, perhaps thundery at times with a few sunny spells between. Feeling cool with light winds. Maximum temperature 19 deg C (66 deg F).

Tonight:
Showers, frequently heavy continue through the evening and into the night with an increasing breeze. A few clear spells developing later. A cool night. Minimum temperature 8 deg C (46 deg F).

Thursday:
Patchy cloud through the morning with some outbreaks of rain at times. Often cloudy through the afternoon with the risk of a few showers, locally heavy later. Breezy. Maximum temperature 21 deg C (70 deg F).

Outlook for Friday to Sunday:
Scattered showers and some sunny spells on Friday. More in the way of sunny spells on Saturday and Sunday but with occasional showers. Feeling fresh and pleasant in any sunshine.
